

ENROLLMENT TIP SHEET FOR REPLACEMENT PRODUCT PATIENTS

(Applicable for the following products: Aranesp® (darbepoetin alfa), EPOGEN® (Epoetin alfa) for dialysis only, Neulasta® (pegfilgrastim), NEUPOGEN® (Filgrastim), Nplate® (romiplostim), Prolia® (denosumab) injection, Vectibix® (panitumumab) injection, and XGEVA® (denosumab))

The Safety Net Foundation may be able to help

The Safety Net Foundation is a nonprofit foundation supported by Amgen. If you qualify for help, the foundation can provide you with certain Amgen products at no cost.

Do I qualify for help?

To qualify, you must:

- Reside in the US or one of its territories
- Have a certain income level
- Have no or limited drug coverage
- Not have any other insurance options

To check if you qualify, you can:

- Go to www.safetynetfoundation.com and click on the **Check eligibility** link; or
- Call us at **1-888-762-6436** and choose **option 5**

How do I apply?

Your provider will complete and submit the Patient Application Form on your behalf. Patients cannot apply on their own for assistance with Foundation replacement products.

In completing the form, your provider will obtain your signature on the Patient Certification and Authorization page of the form. Your provider may also ask you to fill out the Patient Information section of the form.

If you would like to view our Patient Application Form, go to www.safetynetfoundation.com and click on the **Forms** tab.

When will I find out if I'm approved?

Once we receive your completed application, we will make an enrollment decision within two to five business days. Both you and your provider will receive a letter notifying you if you are enrolled or denied.

If you have any other questions:

Go to www.safetynetfoundation.com and click on the **Resources** tab for answers to Frequently Asked Questions and other Tip Sheets.

You can also talk to one of our agents by calling **1-888-762-6436**, Monday through Friday, 9am to 9pm Eastern Time.
