

ENROLLMENT TIP SHEET FOR Prolia® (denosumab) injection FOR BONE HEALTH PROVIDERS

The Safety Net Foundation may be able to help

The Safety Net Foundation is a nonprofit foundation supported by Amgen. If your patient qualifies for help, the foundation can provide your patient with Prolia® for Bone Health at no cost.

Does my patient qualify for help?

To qualify, your patient must:

- Reside in the US or one of its territories
- Have a certain income level
- Have no or limited drug coverage
- Not have any other insurance options

To check if your patient qualifies, you or your patient can:

- Go to www.safetynetfoundation.com and click on the **Check eligibility** link; or
- Call us at **1-888-762-6436** and choose **option 5**

How does my patient apply?

Step 1: Get the Patient Application Form

- Go to www.safetynetfoundation.com and click on the **Forms** tab; or
- Call us at **1-888-762-6436** and choose **option 3** for the form to be faxed or mailed to you

Step 2: Complete the Patient Application Form

- Have your patient fill out the Patient Information (page 1 of the application)
- If you have questions regarding the Patient Application Form you can call us at **1-888-762-6436** and choose **option 5** to speak to one of our agents

Step 3: Obtain the patient's signature

- Have your patient sign and date the Patient Certification and Authorization (page 2 of the application)

Step 4: Submit a prescription for Prolia®

- Complete the Product Prescription Form (page 3 of the application); or
- Submit an original script
- Fax one of these documents to us at **1-866-549-7239**

Step 5: Submit the completed Patient Application Form

- Review the application and make sure all of the required information has been filled in to avoid any processing delays
- Fax the form along with your script to **1-866-549-7239** or mail to:
The Safety Net Foundation, PO Box 18769, Louisville, KY, 40261-7821

When will I find out if my patient is approved?

Once we receive the completed application, we will make an enrollment decision within two to five business days. Both you and your patient will receive a letter notifying you if your patient has been enrolled or denied.

How will my patient receive medication?

Your patient's Prolia® injection will be shipped to your office on behalf of the patient. A Foundation agent will contact your office to confirm the shipping address and schedule the shipment.

If you have any other questions:

Go to www.safetynetfoundation.com and click on the **Resources** tab for answers to Frequently Asked Questions and other Tip Sheets.

You can also talk to one of our agents by calling **1-888-762-6436**, Monday through Friday, 9am to 9pm Eastern Time.
